RE: Self Drilling Screw & Rivet Price Increase

Dear Customer

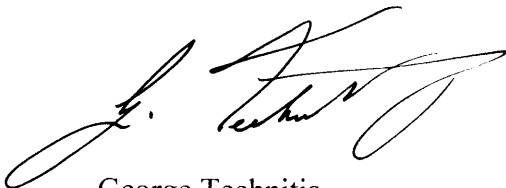

Further to our announcement made on 2 April 2008 Bremick Fasteners will be implementing a 9.5% increase across our full Self Drilling Screw and Rivet range.

This increase is effective on the 2 June 2008.

We will be launching our new Self Drilling Screw Catalogue which will be released in a few weeks. This unpriced catalogue will include new products and continue to be used as a selection guide and technical reference.

Your new personalised net pricing will be available from 5 May 2008 and will reflect this increase. To obtain a copy of this net pricing please email your request and company details to sales@bremick.com.au or alternatively contact your local Sales Manager.

Yours Sincerely

George Technitis
