NEW PRICE LISTS – EFFECTIVE 1ST SEPTEMBER 2008

To our valued customers,

Please be advised that we will be reviewing our List Prices on our Fastener range due to the constantly changing prices from our suppliers.

Over the past few months the majority of our main suppliers have advised us of more increases, some back to back, including: ITW Buildex – 2 Increases within 3 months, Bremick, Powers, Macsim, Bostik and just about every other supplier to our business.

Effective 1st September 2008 we will implement updated list prices on all products

We are currently preparing the new price lists, which can be downloaded off our website at www.aerofast.com.au and clicking on the "Price List" icon. As these increases are becoming more frequent, downloading off our website will be the preferred way of delivering you the updated lists. You can choose to print them or save them to your PC for paperless use. Any special quotations will be posted advising updated pricing.

If you do not have access to the Internet, please contact your local office for other options.

Once again, all of us at AeroFast thank you for your business and past support. Service has always remained our priority to you and that is one thing that will never change.

Please contact us if you require any further information regarding this correspondence. You can also get copies of this letter and other relevant pricing news and industry updates by going to our website and clicking on the "News & Events" icon.

Yours sincerely,

AEROFast
