TO OUR VALUED CUSTOMERS

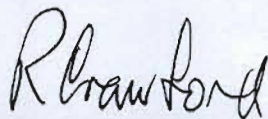

Dear Purchasing Dept,

Re: Price Increase On All Silicone & Paint Products

Your satisfaction is important to us. In order to continue to produce a high-quality product, we have recently undergone external price increases. This, along with all previous price increases that have not been passed on, has forced us to increase our prices by approximately 5 per cent effective as of the 20th October on all silicone and paint products. Orders received before the 20th October will be processed at current prices.

Thank you for your understanding in this matter. We hope you will inform us immediately if there is any way we can serve you better.

Yours sincerely,

Ray Crawford
MANAGING DIRECTOR
