RE: Changes in Pricing

Dear Valued Distributor,

We at Australian Lifting Centre would like to thank you once again for your valued long term support. Over many years we have successfully worked together to bring excellent service and quality products to our industry.

Since our last price increase in June 2018, we have managed to absorb cost increases and keep our price unchanged. However due to the dramatic rise in the price of steel, shipping costs plus the Yuan/AUD exchange rate increase we will be unable to hold off a price rise any longer.

We will be increasing our prices across our entire range by 5% with Chain, Turnbuckles and Snatch straps all receiving a 10% increase. The new pricing will come into effect on the 1st July 2021.

We would like to take the opportunity to thank you for your business and we look forward to continue to work with you in the future.

Kind Regards
Simon Bailey
