Re: Price update notification and new price list.

Dear Valued Customer,

Due to circumstances beyond our control, we need to make some adjustments to our prices. We understand how competitive the market is, and as such, always do our best to ensure our range is competitively priced. Unfortunately we have had significant cost increases in recent times and can no longer absorb these increases.

Please be aware from 1st of July 2021, Aquarius Distribution are issuing a price rise.

There have been a number of factors for this price rise, with the following being the main contributors:

- Increase of domestic freight charges
- Increase of export and import freight costs
- Increase in world EPDM prices
- Increase in silicone prices
- Increase in aluminium prices
- Price increases from suppliers

As a result, the majority of Aquarius Distribution products will incur a price rise, please see list below.

- Aquaseal Pipe Flashings (7%)
- Aquaseal Washers & Grommets (10%)
- Expansion Strip Joint (7%)
- Complete Cover Plates (5%)
- Styrowedge & Styroscrew (5%)
- Red Back (5%)
- Flexible Couplings (5%)
- Aqua Air (5%)
- Plumtool (5%)
- Waffle Pads (10%)
- Multi-Purpose Rubber Ties (10%)

We also would like to advise that Aquarius Distribution has made the decision to discontinue Kale Clamps, this means that Hose Clamps and Heavy Duty Clamps will no longer be a part of the Aquarius Distribution product line up.
